

1990 COUNTY BLOCK MAP (RECREATED): LINCOLN County

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1 A place name ending in 'MCD' indicates that the place is also a false MCD;

2 In 1990, the crews-of-vessels population of ships at sea was allocated to coastal census tracts. This map does not show the location of these maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

3 A '*' following a block number indicates that the block number is repeated elsewhere in the block.
